

MPO KROGER FUNDRAISING INITIATIVE

As many of you know, Model participates in the Kroger Fundraising program each year. Listed below are the details of what you will need to do to get signed up for the new program. All you have to do is register your Kroger Plus card number online.

NEW FOR 2022-23 – You must register every year no later than August 31 or you will be unenrolled September 1.

The main purpose of ALL funds raised from this will be to go toward class trips that will start in 5th grade and continue through 8th grade. We will continue for the high school classes for other trips, Project Graduation, and other expenses.

All you need to do is enroll your Kroger Plus card number at <https://www.kroger.com/i/community/community-rewards>. Input the number linked to your child's graduation year (see below). You can only have your Kroger Plus Card number linked to one organization at a time.

The money raised for each class will come off the overall cost of each student equally.

With this program they will disburse funds to each organization based on the amount that you spend each quarter. There isn't a certain percent that we will earn for purchases. The amounts will be various since it will be based on the amount of spending by each organization. The more it's used, the more we will make.
